Katie Newton takes paradise lying down during a heavenly few days in the Cook Islands

**Sunday 19th** It's been four days since we arrived in Rarotonga and I've loved every minute of it. The island is stunningly beautiful and relaxing in the same way as any tropical paradise. But it's also been so good as my housewife from local produce markets. The owners of Apartments Kakerā have been so good for me to do a house sit, and it's also been a great opportunity to see the island up close. I'm staying in Apartment Puka, one of the best holiday homes in the island. It's a beautiful, modern, and relaxing holiday home.
